

## **Cancellation Policy – Minnesota Fall Maintenance Expo**

If the Fall Maintenance EXPO is cancelled for any reason, we will issue a refund of the full price minus a 10% administrative fee to vendors. This refund will be processed during the first week of October of the year affected.

Vendors must still adhere to the refund date of August 31<sup>st</sup> 2020 for canceling their booth if they want a full refund. The above policy is only if the whole event is canceled.
